Rev. Scott Lambert

We are getting ready to put summer behind us and move into fall. This summer has been extremely hot. There was so little rain that our rivers and lakes have gotten low. Often we would say that we need rain. We think about the seasons in our lives when it seems that our Lord's blessings aren't flowing in as quickly as we would like them to. We are reminded that we need Him to send us His blessings. Our Lord Jesus wants to bless us each and every day.

But remember that before He will bless us, we must believe and

keep our faith in Him. Hebrews 11:6 teaches us that it is impossible to please Him without faith. It is also written there that He rewards those who earnestly seek Him. My prayer for each of you is to have a blessed September and a month full of God's favor.
